LIFE'S CLOCK

The clock of life is wound but once
And no man has the power
To tell just where the hands will stop
At a late or early hour.
To lose one's wealth is sad indeed
To lose one's health is more
To lose one's soul is such a loss
As no man can restore.
The present only is our own,
Live, love, toil with a will
Place no faith in tomorrow for
The clock may then be still.

WHAT WILL YOU BE DOING TEN YEARS FROM NOW?

Cindy Paul

Chris Hough

Harry Firmstone

C. Paul: I will be a successful business woman, enjoying life and all its luxuries.

C. Hough: I will still be sitting at Myrtle beach looking for a ride home.

H. Firmstone: Me and my band "Mick Stone and the Jaguars" will be opening for the Rolling Stones on their last American tour.

R. Hall: I will be New York's leading playwright.

C. Brown: I will be a wealthy black (yes, I'll still be black) business man with a mansion and 3 summer homes. I will also adopt a Puerto Rican kid cause I like minorities. As customary for us black people, I'll be driving a purple Cadillac.

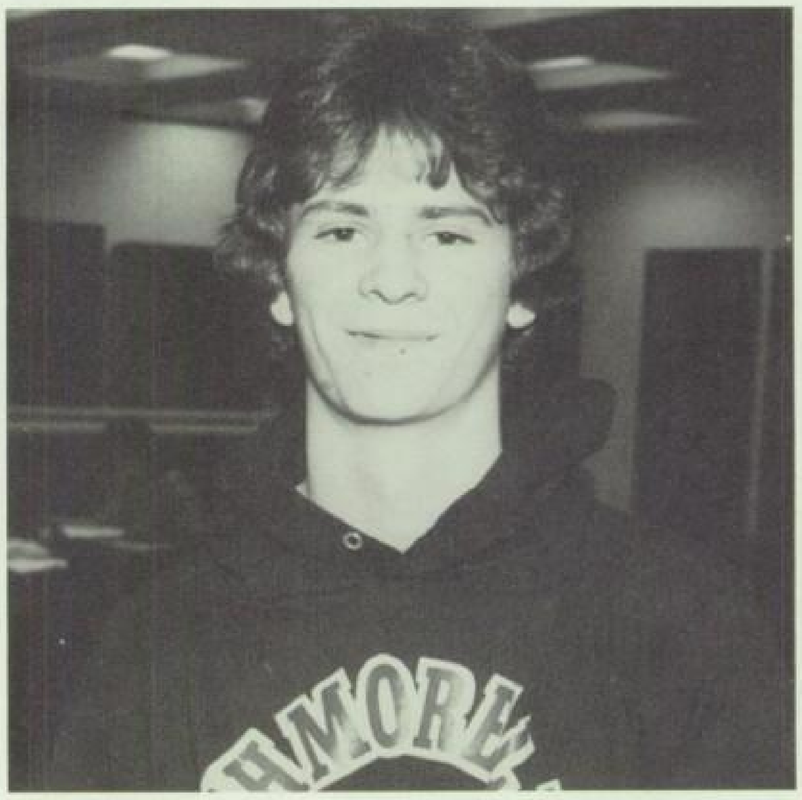

Robyn Hall

Chuck Brown

Vicki Guynn

Mike Green

V. Guynn: I'll be living on some exotic island fulfilling all my fantasies.

M. Green: I'll be going down to see Chris in Myrtle Beach, at the same time and place.

D. Franks: Hopefully to be a rich medical assistant, and to be driving a navy blue Trans Am.

M. Bandemer: I'll be Captain of the Love Boat with an all male crew and all male passengers.

R. Zelmore: I will be the manager of a large junkyard, and making enormous amounts of money.

The Girls Tennis Team accomplished something that no other Southmoreland Tennis team has ever achieved. They not only won the Section III title, but went on to defeat Baldwin in the first round of the W.P.I.A.L. playoffs. The girls finished their season with an impressive 11-2 record. The senior players would like to thank Mr. Firestone for his constant support and anticipate next year's team to win a third consecutive Section III Championship.

FACULTY

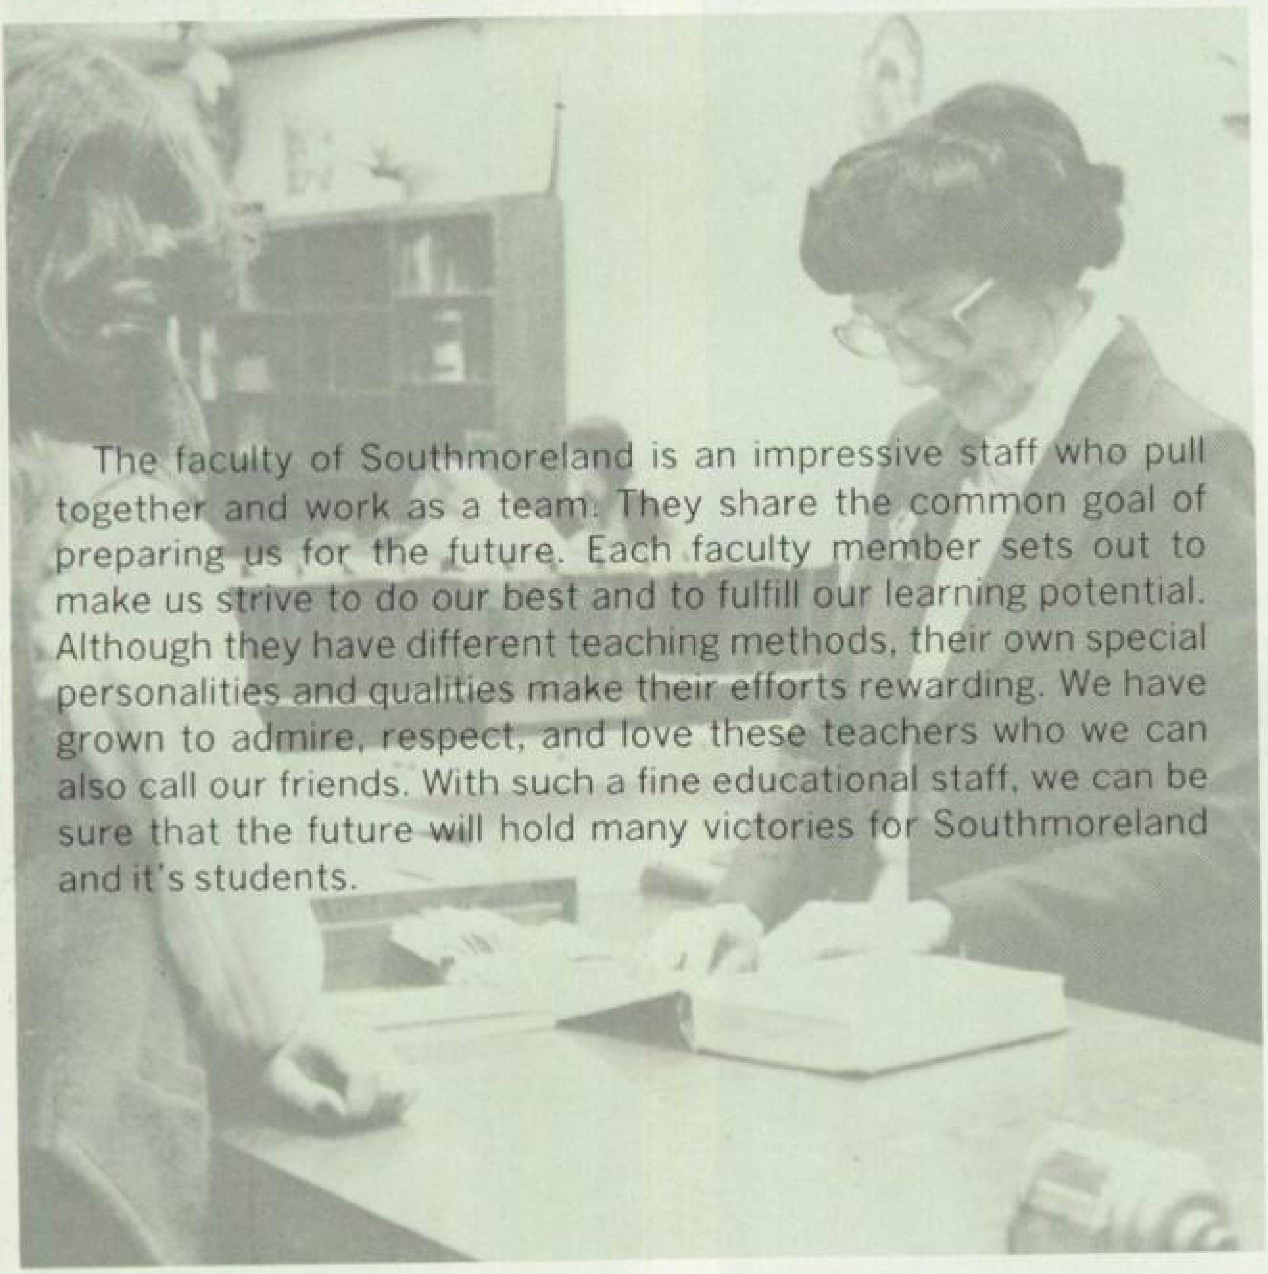

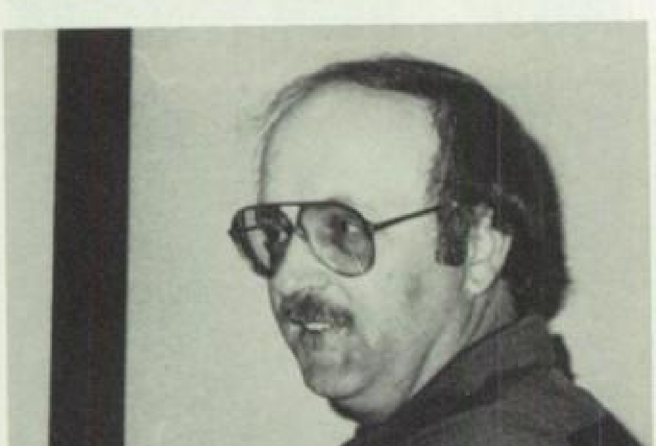

The faculty of Southmoreland is an impressive staff who pull together and work as a team. They share the common goal of preparing us for the future. Each faculty member sets out to make us strive to do our best and to fulfill our learning potential. Although they have different teaching methods, their own special personalities and qualities make their efforts rewarding. We have grown to admire, respect, and love these teachers who we can also call our friends. With such a fine educational staff, we can be sure that the future will hold many victories for Southmoreland and it's students.
